

2019 CHEMISTRY SUMMER REU PROGRAM

The Department of Chemistry at Penn State University invites chemistry and biochemistry majors to join us at University Park for summer research.

Research Experience for Undergraduates (REU) students work for ten weeks on chemical research alongside a team of research mentors to conduct an independent project.

PROGRAM DATES: May 23 – August 2, 2019

STIPEND: \$4,800

Free housing in on-campus apartments

APPLICATIONS OPEN: December 1, 2018

DEADLINE: February 15, 2019

We are an inclusive and supportive community that embraces and encourages excellence. All qualified applicants are encouraged to apply.

For more information on the program and on how to apply, visit our website at:

www.chem.psu.edu/reu
